

Hi ,, appreciate you downloading this piece of content.

Thankful to Rob Tadlock, RN, MBA, for being so generous with his time and providing many valuable insights during this webcast about Vanderbilt Health and Walgreens' partnership on how they provide amazing patient experiences at their retail medical clinics. It's not easy to consistently create compelling content that truly helps those we are intending to serve.

With that being said, it would be great to get your feedback on this webcast even if it's just one sentence. Or perhaps ideas on future content you'd like to see from us would be great too!

Thanks,
Jill
