The Role of Digital Tools in Managing Medicaid Beneficiaries

Hi There,

A friendly reminder to register for next week's webinar on using digital tools to manage Medicaid beneficiaries.

We're excited to invite you to this webinar with the clinical leadership from the Family Medicine department at MediSys Health Network. They'll be discussing the role of digital tools in managing Medicaid beneficiaries.

Webinar Details:

Date: June 18, 2024

Time: 2:00 PM ET - 3:00 PM ET

Speakers:

Gina Basello, DO, Vice Chair, Family Medicine, MediSys Health Network

Alan Roth, DO, Chair, Family Medicine, MediSys Health Network

Luigi Tullo, MD, Vice Chair, Ambulatory Care, MediSys Health Network

Sabiha Raoof, MD, Chief Medical Officer, MediSys Health Network

Why Attend?

The discussion will focus on:

- Using digital tools to assess, understand, and address social determinants of health for patients, provider organizations, and communities
- Using digital tools to manage chronically ill patients outside the four walls of the healthcare office / hospital

- Managing patients with chronic diseases cost-effectively in a value-based reimbursement model

Q&A Session: Have your questions answered directly by our speakers during the Q and A session.

Join us for this thought-provoking webinar - we look forward to your participation!

Best regards,
